To whom it may concern,

The CCF has used the services of Vaughan Kidd over the past two years for a series of functions we have conducted across Australia.

These functions have involved anything up to 600 people and a variety of setups and conditions.

In all of our dealings, Vaughan has displayed a very high degree of competence and reliability which we have truly appreciated.

I have no hesitation in providing a reference and would feel comfortable answering any questions you may have in this regard.

Yours sincerely,

Richard Snare
National Operations Manager

TO WHOM IT MAY CONCERN:

It is with pleasure that I write this letter of reference for Vaughan Kidd and Vaughan Kidd Photography (VKP).

Raine & Horne Queensland used Vaughan (VKP) at our Annual Awards night in September 2008 after using another company for numerous functions and events in previous years. Vaughan came highly recommended however, we were quite anxious using a new photographer. Our apprehensions were unjustified as Vaughan brought a new, fresh approach to our very important evening. All of his photos were very professional and he had no qualms adopting our last minute changes and requests.

I have absolutely no hesitation in recommending the services of Vaughan Kidd or Vaughan Kidd Photography.

Yours sincerely,

Stephen Sharry
